Sugarloaf Community of Schools

Fishing Program

Dear Parent/Caregiver,

Your student will have the opportunity to participate in a fishing program through Wakefield School.

Event: Fishing
Location: Newcastle and Lake Macquarie Area. Staff will provide information about the specific location, verbally or via text on the day before the outing. Weather and student group numbers will vary the location.
Time: TBC
Cost: Free
Transport: School vehicles
What to bring: Bottle of water

Safety Considerations

Students attending will be required to wear long sleeve shirt, glasses, hat or face covering. Sunscreen will be provided. Students can bring alternative footwear (shoes, slides, thongs) that protects them from stepping on hooks if they wish to change into once at location.

Students are required to complete relevant fishing lessons prior to attending the outing. They will be instructed on how to safely use equipment. If they do not comply with expectations their involvement in the program will be reviewed.

There will be no opportunity for students to spend any money at the location.

Please complete the permission note below and return to school so that your child may take part in these activities.
